## Monthly Labour Force Activity - June 2018 -

### Overview

In June 2018, the Northwest Territories' (NWT) labour force increased by 700 persons compared to the previous month. Overall employment increased by 2.4% or 500 persons, spurred by increases in full-time and youth employment. The employment rate rose to 65.8%, reaching levels slightly above June last year. June is the first month this year where employment rates were higher than 2017.
